TRENDNET®

Microsoft Windows Vista
Installation Guide

TEW-424UB

Important! DO NOT install the adapter in the computer until instructed to do so.

1. Go to http://www.trendnet.com/
support/vista.htm and scroll down
until you find TEW-424UB. Click
download. If your country supports
up of 11 channels, click on the
driver link for 11 channels. If your
country supports up to 13
channels, click on the driver link for
13 channels. Click the Vista driver
link and save the drivers to your
computer.

Note: You will need to uncompress the drivers after you download the drivers.

2. Browse towards the setup.exe
icon. Double click the setup.exe
icon.

3. Click **Next.**
4. When this window appears, Connect the wireless adapter to an available USB port of your Windows Vista computer and then click **OK**.

**5.** When this window appears, click **Cancel**.

6. Click **Install this driver software anyway**.

7. Click **OK.**

8. Click **Yes, I want to restart my computer now** and then click **Finish**..

Your installation is now complete.

Connect to an Unsecured Connection

1. On the bottom right-hand corner of the screen, double-click the wireless configuration utility icon.

2. Click **Site Survey**. Click the **SSID** that matches your wireless access point and then click **Connect**.

3. Click **Apply.**

Connect to a Secured network (WEP)

> **1.** On the bottom right-hand corner of the screen, double-click the wireless configuration utility icon.

> **2.** Click **Site Survey.** Select the desired wireless network and then click **Connect**.

> **3.** Typed in the Network Key, select the desired Key length and then click **Apply**.
Connect to a Secured network (WPA)

1. On the bottom right-hand corner of the screen, double-click the wireless configuration utility icon.

2. Click **Site Survey.** Select the desired wireless network and then click **Connect**.

3. Typed in the WPA passphrase and then click **Apply**.

Wireless configuration is now complete.

For detailed information regarding the TEW-424UB configuration and advanced settings, please refer to the User's Guide included on the Utility & Driver CD-ROM or TRENDnet's website at www.trendnet.com
