

TK-800R 8-Port Rack Mount KVM Switch

TRENDnet's TK-800R 8-Port KVM Switch allows you to manage multiple PC's with just one keyboard, monitor, and mouse. Switching between PC's with a simple press of a button! Eliminate the hassle of cable swapping and save money and space with TRENDnet's TK-800R. Designed with ease of expansion in mind, you can daisy-chain up to 8 units together to control maximum of 64 PC's. With its rack-mount size and slim one unit height, it is perfect for mounting on EIA-19" rack in the Equipment Room and Computer Lab. Rich in features such as On Screen Display (OSD) Menu, Hot-Plug, Auto-Scan, and Hot-Key Operation, TRENDnet's TK-800R is the perfect choice for managing multiple PC's.
