Q1: My computer does not detect the TVP-SP3. What should I do?

A1: First, make sure your computer meets the minimum requirements as specified in Section 1 of this Quick Installation Guide. Second, make sure the USB cable is physically plugged in as described in Section 2. Third, try installing the TVP-SP3 to a different USB port of your computer.

Q2: I am unable to make a call. What should I do?

A2: First, make sure that you have Internet connectivity. Second, make sure that you have signed into your Skype™ account. Third, make sure that you see the **TVP-SP3** software icon located on the system tray . If you do not see this icon, go to **Start -> Program Files -> TRENDnet -> TVP-SP3**. Fourth, make sure that you have followed the exact steps in section 3 of this Quick Installation Guide.

Q3: The speaker/microphone function does not work. What should I do?

A3: First, make sure that you have installed the TVP-SP3 **VoIP USB Phone** software program as described in Section 2. Second, right click on the **TVP-SP3** software icon located on the system tray  and select **Audio Device Settings**. Make sure speaker and microphone are set to **USB Phone**. Third, right click on the **TVP-SP3** software icon and select **Volume Settings**. Make sure the volume is set appropriately for the microphone and speaker.

Q4: How do I switch back to my computer's original audio settings?

A4: Right click on the **TVP-SP3** software icon located on the system tray  and select **Audio DeviceSettings**. Select the desired **Windows Default Audio Device** for the speaker and microphone. Then click **OK**.

Q5: After I finish installing the TVP-SP3, the Skylook installation window appears. What should I do?

A5: Skylook is an optional bonus program which integrates with Microsoft® Outlook® (required). It allows you to manage your Skype™ contacts from Outlook®. To install the program, select **Install Skylook (recommended)** and click **Next**. Then follow the **Install Wizard** directions to complete the installation. If you do not want to install the program, select **Don't Install**.

If you still encounter problems or have any questions regarding the TVP-SP3, please refer to the User's Guide included on the Utility & Driver CD-ROM or contact TRENDnet's Technical Support Department.
