

TE100-SK2 **4-port 10/100Mbps Dual Speed Starter Kit**

The TE100-SK2 is designed as a complete solution for connecting two personal computers together, therefore enabling them to share files, printers, fax servers, and/or e-mail. TRENDnet's TE100-SK2 network starter kit comes with a 4-port 10/100Mbps dual-speed hub card (TE100-DX4PCI), a single port (UTP/STP) 10/100Mbps PCI network interface card (TE100-PCIW Plus) and a 15' Category 5 UTP cable. This kit is specifically designed for home and small office use and can support up to 5 network nodes without expansion. There is enough port to add a network printer, TRENDnet's Web Cruiser Internet station (TW-100) and a third personal computer.

FEATURES

- ... Four (4) RJ-45 ports on the Hub Card provide connection for 10Base-T/100Base-TX clients.
- ... Plug and Play.
- ... Diagnostic software, network driver installation utility and network drivers on the diskette.
- ... Four (4) brackets mounted status LED's on the Hub Card, for easy viewing and troubleshooting. TE100-PCIW Plus has one LNK and one 100 LEDs.
- ... Compatible with all Popular Network Operating Systems.
- ... 5 Year Warranty

BENEFITS

- ... **Upgradable:**
Add nodes as needed.
- ... **Expandable:**
Add an Internet station, network printer server, or a third PC without purchasing a hub.
- ... **Flexible:**
Provides 10Mbps or 100Mbps connection.
- ... **Cost Effective:**
Buy only the part you need.
- ... **Reliable:**
5 Year Warranty.

TE100-SK2

4-port 10/100Mbps Dual Speed Starter Kit

SPECIFICATIONS

Standards:

- IEEE 802.3 10Base-T, IEEE 802.3u 100 Base TX

Data Transfer Rate:

- 10/100Mbps (Half Duplex)

Topology:

- Star

Protocol:

- CSMA/CD

Connectors:

- Hub Card: four UTP/STP RJ-45
- Adapter Card: one UTP/STP RJ-45

Diagnostic LEDs:

- Hub Card: Four (4) Link LEDs
- Adapter Card: One LNK LED, one 100 LED

Network Cable:

- 10Mbps-Category 3/4/5 UTP/STP (one 15' Category 5 UTP cable included)
- 100Mbps-Category 5, UTP/STP

Network Drivers:

- Novell ODI, NDIS, SCO UNIX, MS LAN Manager, Windows NT/95/98, Windows for Workgroups and Packet Driver

Temperature:

- Operating: 0° ~ 50° C / 32° ~ 122° F
- Storage: -20° ~ 80° C / -4° ~ 176° F

Humidity:

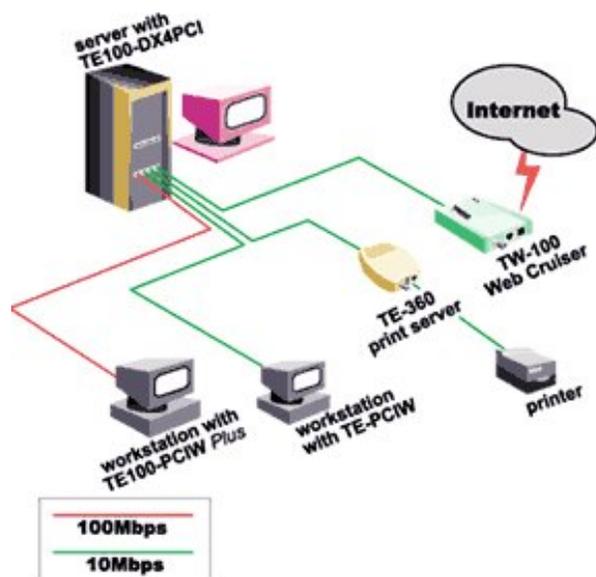

- Operating: 10 to 90% (non-condensing)
- Storage: 10 to 90% (non-condensing)

Certification:

- FCC, CE

PRODUCT INFORMATION

- **TE-SK1:** 5-Port 10Base-T Hub Ethernet Starter Kit (2 x TE-PCIWT, 1 x TE-500, 2 x 15' CAT 5 cables)
- **TE100-SK1:** 5-Port 100Base-T Hub Fast Ethernet Starter Kit (2 x TE100-PCIW, 1 x TE100-H5E, 2 x 15' CAT 5 cables)
- **TE100-SK2:** 4-Port 10/100Mbps Dual Speed Starter Kit (1 x TE100-PCIWplus, 1 x TE100-DX4PCI, 1 x 15' CAT 5 cables)
- **TE100-SK3:** 5-Port 10/100Mbps Switch Fast Ethernet Network Kit (2 x TE100-PCIWN, 1 x TE100-S55E, 2 x 20' CAT 5 cables)
- **TE100-SK3plus:** 5-Port 10/100Mbps Switch Fast Ethernet Network Kit (2 x TE100-PCIWN, 1 x TE100-S55Eplus, 2 x 20' CAT 5 cables)
- **TE100-SK4:** 10/100Mbps Switched Fast Ethernet Network Kit (2 x TE100-PCIWN, 1 x TE100-S5P, 2 x 15' CAT 5 cable)
