# 4 Port USB Hub
TU2-400E (v2.0R)

TRENDnet's 4-Port USB Hub, model TU2-400E, adds four high speed USB 2.0 ports to your computer to connect USB devices such as USB cameras, memory sticks, printers, and more. No CD installation is required, simply connect the TU2-400E to your computer and plug in your devices to share data over a high speed 480 Mbps connection.

This hub is backwards compatible with USB 1.1 and 1.0 devices. A two foot (0.6 m) extension cable allows you to place the 4-Port USB Hub in the most ergonomic location. Plug in the optional power adapter to provide full power to power hungry connected devices. The compact 4-Port USB Hub fits into the smallest work space and is compatible with Windows, Linux, and Mac operating systems.
