

Outdoor Camera Enclosure TV-H100 (A1.0R)

The Outdoor Camera Enclosure protects TRENDnet's Internet cameras from extreme weather conditions with an IP66 weather rating.

The Outdoor Camera Enclosure is designed for use with compatible TRENDnet Internet cameras. Use this enclosure to extend your surveillance needs and protect what you value most.

Mount the camera on most surfaces with included mounting kit. Set the enclosure's final fixed position by adjusting the enclosure to capture the desired viewing field. A rugged aluminum visor design minimizes reflective solar glare and protects the camera enclosure in extreme conditions.

- Product Overview**
- IP-66 certified aluminum construction protects against extreme weather conditions
 - Simple to install and mounts on most surfaces with an included mounting kit
 - Set the enclosure's final fixed position by adjusting the enclosure to capture the desired viewing field

- FEATURES**
- Robust construction design provides a cost-effective solution for protecting your TRENDnet Internet camera from the rigors of outdoor use
 - Adjustable mounting kit can secure the enclosure to a vertical or horizontal surface
 - All aluminum construction with IP-66 weather rating
 - 2-Year Warranty
